### Available Packaging:

1. 33741- Packette w/Pad- 300/packettes/cs

### Ingredient Deck:

ACTIVE INGREDIENTS: Benzocaine - 4.0%

OTHER INGREDIENTS: SD Alcohol 40, Water (Aqua), Glycerin, Allantoin.

### Directions

Remove stinger as quickly as possible as it may continue to inject venom. (Quick removal is important to limiting severity of sting). Do not wait to find a flat item to scrape off stinger. Use forefinger and thumb and grab stinger as close to skin surface as possible. Open packette, remove pad, apply to area of sting. Leave in position for a few minutes.
